Re: Eureka Mine Waste Project
Quarry Large Mine Permit Application
File No. M/049/047

Dear Ms. Burns,
Enclosed is the large mine permit application for the Lime Peak quarry in Eureka, Utah.
Also enclosed is the permit application fee of \$350.

Once UDOGM has determined the reclamation surety value, Shaw will adjust the amount of the CD's currently in place to reflect the required amount.

Please contact me at 412-380-6207 with any questions you have regarding this application. Thank you for your help in this matter.

Sincerely,

Thomas P. Mathison
Project Manager
Shaw Environmental & Infrastructure
